## LEGISLATIVE ASSEMBLY

## PRIVATE BILLS

## Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

IAN M. HORNE  
Clerk, Legislative Assembly

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, Suite 1, 3001—43rd Avenue, Vernon, B.C. V1T 3L4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

*Preamble*—The purpose of this application is to obtain a permit for the installation of a sewage-treatment facility to service the base development at the Apex Mountain recreational ski area. The proposed treatment system will provide the full secondary treatment with discharge of the effluent to a ground-disposal system. The intent is to develop the over-all sewerage system on a phased program, with Phase I, including 2 individual septic tank and field installations to service development on Parcels 1 and 2 of Lot 395(S). These interim septic-tank facilities will be phased out when the over-all collection and treatment system is installed.

Apex - Alpine Recreations Ltd., Box 486, Penticton, B.C. V2A 6K9, hereby applies to the Director for a permit to discharge effluent from a ski area village development located at Apex Mountain, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 395(S), SDYD, Parcels 1 and 2 for Phase I, and adjacent Crown land for Phase II.

The discharge shall be located approximately 1,000 feet south of the southeast corner of Lot 395(S).

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 13,000 imperial gallons a day (Phase I) and 94,000 imperial gallons a day (Phase II). Maximum daily discharge, 140,000 imperial gallons a day (Phase II).

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than total suspended solids, 60 mg/L; total solids, 500 mg/L; BOD, 40 mg/L.

The type of treatment to be applied to the effluent before discharge is secondary treatment in an aerated lagoon.

This application, dated on July 4, 1980, was posted on the ground in accordance with the Pollution Control Regulations.

#### APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, 1106 Cook Street, Victoria, B.C. V8V 1X4.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

*Preamble*—The purpose of this application is to obtain an effluent permit for Valley Copper Mines Limited (N.P.L.) to operate a copper-moly mine-mill complex in the Highland Valley. All effluent will be discharged to the existing Lornex tailings dam which features the total recycle of tailings water. There will be no discharge of effluent from the pond.

Valley Copper Mines Limited (Non-Personal Liability), Trail, B.C. V1R 4L8, hereby applies to the Director for a permit to discharge effluent from a copper mine-mill complex with associated molybdenum concentrate production, located approximately 33 kilometres (43.5 kilometres) southeast of Ashcroft, into tailing impoundment with a complete recycle system, and gives notice of application to all persons affected.

The land upon which the works are located is Sections 5 and 7, Township 18, Range 22; Sections 35 and 36, Township 17, Range 23; Sections 1, 2, 3, 10, 11, 12, 13, 14, 15, 16, 19, 20, 21, 22, 23, 27, 28, 29, 30, 31, 32 and 33, Township 18, Range 23; Sections 23, 24, 25, 26, 35 and 36, Township 18, Range 24, W6M, KDYD; Indian Reserve 13 (Quiltanton) in Township 17 and 18, Range 22, and Townships 17 and 18, Range 23, W6M, KDYD, shown as Lot A, Plan M9648.

The discharge to the tailings impoundment shall be located at the approximate centre of Section 36 of Township 18, Range 24.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 45,000,000 imperial gallons a day. Maximum daily discharge, 60,000,000 imperial gallons a day.

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than typical ore dressing plant tailings, treated domestic sewage, open-pit mine water and vehicle wash water.

The type of treatment to be applied to the effluent before discharge is tailings impoundment in existing Lornex dam with total recycle of supernatant after estimated residence time of one month in the dam.

This application, dated on June 30, 1980, was posted on the ground in accordance with the Pollution Control Regulations.

#### INTENT TO APPLY HERBICIDES

NOTICE is hereby given that herbicides will be applied by the hack and squirt method in the Squamish Forest District between August 4, 1980, and August 31, 1980, in the Fries Creek area.

The purpose of this project is conifer release by the use of 2,4-D Amine 80 PCP 9528. The intent is to remove undesirable brush species to enhance the growth of conifers. Such clearance leads to a more productive and economically viable forest resource. It is being carried

out under the terms of the Canada and British Columbia Intensive Forest Management Agreement.

This notice is given as per the requirements of *Pesticide Control Act*, Public Land Pesticide Use Permit 104-154REV-80:81, copies of which may be viewed at the Squamish Forest Service office.

Ministry of Forests,  
Province of British Columbia.
